Official statement from Texas Secretary of State! #PVAMU #Vote

X

•••

*It has been communicated and confirmed that the Waller County plan ensures, as it was always intended to do, that all students residing on campus who are registered to vote in the county will be able to cast their ballots at the Precinct 309 polling location on campus, and that no students will be impeded, hampered, or otherwise delayed in exercising their constitutional right to cast a ballot in the upcoming General Election. No change of address form or statement of residence will be required prior to voting. After students vote, they will be able to update their address for future elections.*

Not only can you see where the early voting polls and locations are..

PEOPLE WILL GIVE YOU A RIDE TO THE POLLS.

NO EXCUSES.

Look at the flyers below, take out some time in your day and go vote.

If we don't have the highest voting numbers in the county, it's our own fault.

The image contains two side-by-side campaign flyers. The left flyer is for 'Early Voting Dates & Locations' and the right one is for a 'VOTE FOR A CHANCE TO WIN A PRESALE TO A #PVHC2K18 PARTY!'. Both flyers feature a graphic of a ballot box with a red envelope slot and the word 'VOTE' on it.

'All we want to do is vote': Prairie View A&M students seek on-campus early voting. A coalition is driving Prairie View A&M University students to local polling locations, an effort they say is necessary because Waller County is not operating its own election office.

It was PVAMU Students in 1979, who sued Waller County and the United States Supreme Court ruled that college students are able to vote in the county they attend school in. Affording the right to every college student across the country. Today has been filled with so much excitement and enthusiasm from students all over campus. So thankful to the students, and faculty of my university for being apart of something way bigger then themselves, and walking out of class to march to the polls. We are stronger together, and even stronger #WhenWeAllVote
